CAUSE

This offender is presently undergoing outpatient substance abuse treatment, and has expressed a desire to concurrently participate in mental health treatment due to depression and other adjustment issues. He appears to be in an emotionally volatile state much of the time, and he is beginning to resort to using a controlled substance without a valid prescription. The probation officer is concerned that a relapse could hinder this individual's successful community reintegration. Therefore, our office is requesting the special condition of supervised release as stated on this petition, and Mr. Ward has indicated his willingness to have this condition added by his execution of the attached waiver form (PROB 49).

Respectfully submitted,
